Sanctioning the entertainment of a

for the — State, and the in-
crease of the pay of the Malki
Rank of that State by Rs 2/-.

No 6251.

Political Department.

Bombay Castle, 6th September 1901.

Letter from the Commissioner, Southern Divi-
sion, No. Pol-253 dated the 17th August 1901:-
Stating that the Collector & Political Agent,
Wharwar, proposes to entertain a measurer on
Rs 15/- per mensem for the Savanur State;
that he (Political Agent) says that the
city Survey maps of the Savanur State
have become quite worn out and nearly use-
less, and that consequently the results of the
city Survey carried out at considerable ex-
pense to the State will practically be lost;
& that he points out that since the Survey,
many changes have taken place on account

of the disposal of sites, &c., but that the maps have not been corrected for want of a suitable agency, and that there is no body to look after the measurement work and the correction of survey records when that is necessary; & adds that, with a view to meet this difficulty, the post of a measurer, has been created in the State on Rs. 15/- per mensem. Intimating that he (Commissioner) fully agrees with the Political Agent that the measurer should be entertained as proposed. Observing that the Collector & Political Agent further desired to increase by Rs. 2/- for good service, the pay of the mulki rank of the State; & recommending that this should be done.

Resolution. The Political Agent's proposals which are supported by the Commissioner are approved.

The circumstances of the case

the facts as set forth in the

however stated that whether

that ~~was~~ more evidence than
that produced in the previous
inquiry would be of the coming
in the course of a fresh
inquiry; no useful purpose

of circumstances ~~not apparent~~ in the merits of ^{his} case

Bombay Castle, 8th November 1901.

Memorandum from the Commissioner, Southern Division, No. Polt.
303, dated the 9th October 1901:-- Forwarding a letter No.
7199, dated the 26th September 1901, to his address, from the
Collector and Political Agent, Dharwar, who submits, with his
remarks, a proposal for entertainment of an additional--
English-knowing Karkun on Rs. 30/- for the office of the Divan
Divan of Savanur; and states that the present scale of the
Divan's office was sanctioned in 1894 (Government Resolution
No. 3172, dated the 29th May 1894), but that the work has
since considerably increased. Requesting that the Political
Agent's proposal may be sanctioned.

Resolution.-----The present establishment of the Divan's office
is large in comparison with the area and revenue of the State;
and the Governor in Council is therefore unable to sanction the
Political Agent's proposal.

2 There are at present two vacancies of clerks in this office viz (1) Civil Court Karkun pay Rs 20, & (2) Nayar Karkun pay Rs 25.

Subject- Work in Savanur State.

Sir,

Referring to para 1 of my No.2750 of 21st ultimo I have the honour to report as follows in connection --- with the Torur tank which ~~I suggested~~ inspected on the -- 13th instant.

2. The slip in the embankment (a breach was averted by the timely letting out of the water in the tank) is due entirely to percolation, the material forming the bank being of inferior quality and no puddle core having been provided; from local enquiries made breaches have occurred at the same spot on former occasions.

3. To put the bank into thorough order a puddle wall -- must be provided; for this an estimate has lately been received and returned for revision with the necessary suggestions to the Assistant Political Agent under this office -- No. 3015 of 14th Instant.

4. The central drain outlet has no staunching wall and water escapes through on one side at present , a staunching wall either of puddle or masonry seems necessary and should in my opinion be provided to guard against damage.

5. If these improvements are carried out, the tank will not require further attention for some time.

6. There has been no dereliction of duty on the part of the late Overseer Mr: Jog so far as I can see.

2) Oversee's office - There are 2 persons
one male

is on Rs 6 each. The Overseer reports
that persons in the British P.W.D
get Rs 7 to 9.

The application for a dispensary
has apparently led to the
other applications.

Dispensary - The establishment
1 Peon on Rs 6 } attached to the
1 Whisk on Rs 5 } dispensary is as
1 Sweeper on Rs 6 }

noted in the margin. The S.A.
reports that the present scale of
pay is ^{very} low as compared with the
duties imposed on them. The servants
are required to be on duty day &
night, while a Coolie getting Rs 7-8 p.m.
at the rate of Rs 4 per day, has
only to work during the day & is
more independent. No body seems
to like to take up an appointment
in the dispensary. The posts have

been, in the past vacant, for
long periods, for want of substitutes.
& difficult is experienced in getting
dispensary work, which is often-
times disagreeable, & unpopular.

When Mr. Dyson, Civil Surg.
I have visited the dispensary
last, he expressed his opinion
that the pay of the servants
should not be less than Rs 7 a
month, that is to say, the ordinary monthly
wages obtained by a Coolie in
Saranam.

Warders — There are two jail
warders on Rs 6 each. They are
~~responsible~~ The duties of warders
are very responsible. They have,
during the day,
~~always~~ ^{the latter} are in attendance in the
prisoners, when they go to work. They
have also two night duty. It is
not easy to get honest warders, on

a small pay. Awarde's duties
are more responsible than those
of a Police Constable. It is desirable
that the winner's pay should not be
less than the pay of a Constable
which is Rs 7

Servants in the English
& Kanarese Schools The pay
of the

English School servant is Rs 5 &
that of the Kanarese School servant
is Rs 6. The Hd Master English
School reports that the pay of the
servant is barely sufficient to
maintain himself & his family. The
Hd Master Kanarese School
reports that the pay of servants
in the British Schools is Rs 7.

It may be noted here that
these servants are required to do
menial work such as sweeping
& cleaning the Schools and for watering the
premises.

The servant of the Kainouse
School has moreover to disburse
the pay of the masters in their village
Schools of the State & gets no bhata
when he has to leave the head quarters
Bring plan mades — There are 2.

One gets Rs 6 & the other Rs 5. The
scale of pay is barely in keeping
with the wages of an ordinary coolie.
These are handworked men when
a man goes away, his place remains
vacant & the gardens laid out
at ~~some~~^{great} expense are injured.

The man on Rs 5 gave
notice last month that he is
not willing to serve. He has
been induced to remain & an
increase of Rs 1 has been
promised from the 1st of this month
(pending the sanction of these proposals)
from the funds provided for the

entertainment of an additional
- temporary mule during the hot
weather.

Bhishtas — There are two Bhishtas

for the Khayadas of Larain &

one for those of Buzarkop. The

Bhishtas at Larain get Rs 8 each

& ~~the Bhishtas~~ ^{the Bhishtas} at Buzarkop get Rs 4 each

The Buzarkop Khayadas always
complain that the Bhishtas is absent
& when he is away, no substitute
is available & the Khayadas are
put to much inconvenience. The
lack of the Bhishtas belongs

to the State & the Bhishtas is supposed
to feed at his ^{own} expense. It is
not possible to conceive how
the Bhishtas manages to maintain
himself & his ox with Rs 4 p.m.

He asks that his pay may be

raised to Rs 8 as in the case of the

Saranur Bhikshu : His request
is quite reasonable

Bhanyis. — There are at present
2 Bhanyis in the whole of Saranur
one for the Khanyadu & the other
for the Dispensary, the jail & the
^{English} School.

The State pays Rs 6 for the
Bhanyis attended for the Khanyadas.
The Khanyadu & the Bhanyis are
always found to quarrel with
each other. The Khanyadu complains
that the Bhanyis does not properly
& regularly serve them & the Bhanyis
complains that the Khanyadas
ill treat him, that his work
is heavy & his pay small.

The Dispensary, the jail &
^{English} ~~English~~ the ~~School~~ pay Rs 2, Rs 2 & Rs 8.

respectively. The Laranis
Municipality pays Rs 5-8-0

The State & The Depts
remit their shares to the Munt
& the Munt pays Rs 8 to each
of the 2 Bhangis & gets service
done for the Khanyado, the Depts
named above & for itself in its
Municipal limits, out of Rs 16 thus
available. The work is too much
for 2 Bhangis & is never, as a matter
of fact, properly done.

It is proposed that 2 Bhangis
may be employed by the state
at Rs 8 each, one for the Khanyado
& another for ^{all} the Depts named above
The Munt shd employ a Bhangi
of its own ~~as~~ for service within
the Munt limits. The pay shd, as before,

be remitted each month to the
Munty of the Bhangis & continue
to work under the supervision of
that body.

It makes no difference if
the State pays ^{the money} direct
to the Munty or the Depts pay ^{the money} ~~to~~
^{private} to the Munty for Bhangi service, when
these proposals are sanctioned the
amounts now allowed to the Depts
for "Payment Bhangis" service
will be withdrawn. This arrange-
ment will ^{partly} reduce ^{the} work of each
Bhangi ~~partly~~ & secure better
service.

3) An ordinary unskilled Coolie is
Saramar gets Rs 4 to 6 per day, in
when a post is vacated in any
of the Depts for any reason, a
substitute is not available & the

just remains vacant work
lapses

4) The ^{Administrative} head of the Shiras office &
the head of the Vaccinator get Rs 7
each p.m. It is at once necessary
& desirable, that in the interests
of efficiency, that the pay of ^{all} these
servants should be raised to Rs 7 p.m.
Dr Lyne is decidedly of opinion
that the situation will not ^{be} improved
unless & until the pay is increased
to Rs 7.

5) It may be noted here that the
Shah is bound, under an agreement
with the Khanyados, to pay for
Whisk & Bhang service to the
Khanyados.

6) I append a statement showing the

present & proposed scale of pay
& ^{the} financial effect of these proposals.

7) The increase, on the whole, is
very little i.e. Rs 24-8-0 p.m.

Provision will be made in the next
Budget for 1904-5, when these
proposals are sanctioned & effect
given to them from the 1st of April
1904. Provision can be made
by reappropriation, even if the proposals
are brought into force from
the date of their sanction. There are
funds available.

8) The status of Malis, Bhutis &
& Bhangis is that of ordinary coolies
& ~~hence~~ ^{therefore} must that you may
be pleased to sanction ^{proposed} the increase
in their wages ^{may be sanctioned} without reference to
higher authority. ~~The latter proposal~~

My dear friend to the shipper.
Kiss it every day.

Sanction to an increase of pay

No. 1360.

Political Department.

Bombay Castle, 23rd February ; - 1904.

Letter from the Commissioner, S.D. No. Pol/2 dated the
3rd February 1904:- Forwarding a proposition statement in
respect of the increase of pay to certain menial establish-
ments in the Savanoor State,- Observing that the existing
pay of the menials is low as compared with the wages of
skilled labour in the State which it is reported amount
to Rs 7/8; that as a consequence it does not generally
attract persons to the menial service of the State; that
to remove this difficulty the Dewan proposes to increase
their pay; and that the proposal which results in an in-
crease of monthly cost aggregating Rs 24- 8-0 has the
concurrence of the Political Agent. Requesting that the
increased may be sanctioned with effect from 1st March 1-
1904, so that it may be payable from the commencement of
the new financial year 1904-1905.

Resolution:- The proposal to increase the pay of *Certain*
menial servants in the Savanoor State at an aggregate cost
of Rs 24-8-0 a month, is sanctioned.

ES Memo.

There are two vacancies owing to the demise of two Karkuns (one Narsingharao Vasudeorao on Rs 25 & the other Venkaji Subrao on Rs 20) in the Divan's office Savanur.

No 1 Narsingharao was in charge of Nagadi Daftar & E Venkaji in charge of Masti Daftar.

As regards filling up the post of Nagadi Karkun the Divan proposes that the Nagadi work in the State is most important & that regard being had to the importance and heavy nature of that work the services of a Karkun of experience ~~may~~ be lent from the British Service. He recommends that either Mr J. S. Kulkarni, clerk on Rs 25 in the correspondence office or Mr Jade, clerk on Rs 20 in the Dist. Dy.

Collector's office, shd be appointed or if either of them is unwilling to accept a place of Rs 25 the pay shd be raised to Rs 30.

The A.P. Agent negatives this proposal on the ground that either of the above named clerks have not put in 10 years service & their services cannot be lent under standing orders & recommends one Keshav Bhimarao Bellikalamdani as being a best qualified man according to his test.

As regards the post of Venkaji (Pay Rs 20) the A.P. Agent proposes that grade promotion should be given to the members of the existing staff of the Divan & two paid candidates at Rs 12 per month shd be appointed to cope with the increased work in the Divan's Office.

There is no provision in the current year's Budget grant to meet the pay of the candidates. Still the Divan points out savings
Rs 4211
under Bd No 13 - Scale Pay of Patils & Khs -

out of which the charges can be met:

List of Karkuns working in the Divan's office is sent up.

List of applicants for one of the places at Savanur is also sent up.

There are 23 applicants.

Order.

Keshav Bhimarao Bellikalamudi.

to place Savanur on Rs 25.

Irappa Parappa 15 to 20 vice
Venkaji.

Laxman Balaji 12 to 15.

Tham Rao Jayarao to a place on Rs 12.

The question of increase of staff to be considered separately. The A.P. Agent can make proposals after his visit to Savanur. where local enquiries should be made as to (1) arrears (2) amount of work of all sorts (3) no of hours a day the office works.

NOTE — Appointment of paid candidates

- (1) Great difficulty is experienced in obtaining suitable hands when a vacancy arises owing to sickness & other causes. The reasons are
- (a) The number of posts in the District office is limited (b) & The pay is small
 - (b) Chances of promotion are few & far between
 - (c) No passed candidates are locally available
- 2) It is not possible to obtain unpaid candidates to work in the office, for instance, as the prospects of getting a permanent appointment

are very remote

(3) Each Karkun is in charge of the work of 2 or 3 Supts & if he is ^{unable} ~~disabled~~ for any reason to attend the office, his work remains undisturbed until he returns. The other Karkuns being overworked cannot do the work of the absent Karkun.

(4) Work has, in recent years, considerably increased but the establishment remains the same.

(5) In British Taluka offices working candidates are appointed. They learn the Taluka work & ~~are~~ qualify themselves for appointment to vacancies. In British offices ^{voluntarily} passed men apply to be appointed candidates (without any remuneration) in hopes of getting an appointment sooner or later & the

field of promotion too ~~there~~ is very
large ^{there} work in consequence gets a
smoothly. These circumstances
do not exist in the Director's office
& work suffers

(b) With a view to improve the situation
the following arrangements are
proposed

(a) 2nd paid candidates who
have passed after the matriculation
the school
or Final Exam should be appointed
at Rs 12 each.

(b) They should be given ^{the} work of each
subject. They should also do the
copying work & the copying
fees (which are paid to the ^{person} copyist
~~the person~~ who does the work) should
be credited to the State. The income
from copying fees is on an average

Rs 70 ~~or 80~~ per year or Rs 60 per month.

(C) The candidates to be selected & appointed by the Dewan. If they do not work satisfactorily or misconduct themselves they should be departmentally dealt with or removed by the Dewan.

(d) If a temporary vacancy occurs in the office, no additional hands need be employed as these candidates are available. This will result in some savings to the state. If a permanent or long vacancy occurs, the more deserving candidate may be appointed to the last vacancy. The candidates must be filled by the Dewan.

(7) Loans given to Princes & Nobles.

Khianjadas during the last few years
amount to about Rs 16000 & the
balance to be received is up to date
about Rs 6829. Fresh applications
for loans, it may be noted here,
are being received & granted. This
transaction ^{entails} involves additional
work on the Nagar Karkhan.

The Shukra receives so much
in the way of interest on these loans
per month & part of the interest
maybe appropriately applied to
the ~~entertainment~~ ^{entertainment} of one paid
Candidate. The other candidates
may ^{maybe} ~~possibly~~ be defrayed partly ^{from} by the
recovered receipts & partly ^{from} by
the ^{income from} interest on Infra which is being
rented from year to year.

It will thus be seen that the

cost of additional establishment
will be met from items of additional
income to the State

(8) The proposal for ^{the} appointment
of paid candidates may work
odd. But it is eminently suited to
the special circumstances of the
Divan's office

(9) In this connection reference is
requested to (1) memo of additional
work ~~involved~~ entailed in the office

(2) memo of areas of work to be
done & (3) memo of ~~the~~ ^{the} ~~work~~
work of all sorts to be done in
the Divan's office (6 x Nos 2, 3 & 4)

(10) In consequence of additional powers
being given to the Divan the no. of
references to the A.P. H's office has been
partly reduced but work in the Divan's
office has proportionately increased
